

Flexible SG 3 PVC Plastic Granules 100% Crystal

Our Product Introduction

for more products please visit us on newarrivals2025.com

Basic Information

- Place of Origin: CHINA
- Brand Name: JULI
- Certification: ROHS,REACH,FDA
- Model Number: SPVC0122
- Minimum Order Quantity: 1 Tons
- Price: USD1150-1550/TON
- Packaging Details: Woven Bag,25kg/Bag
- Delivery Time: 5-8work days
- Payment Terms: T/T, L/C, Western Union, MoneyGram
- Supply Ability: 1000TONS/MONTH

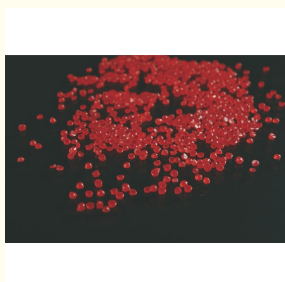

Product Specification

- Capacity: 400 Kg/h
- Type: Plastic Granulator
- Material: PVC
- Screw Design: Single/Double
- After-sales Service Provided: Engineers Available To Service Machinery Overseas,Online Support,Video Technical Support
- Material Processed: ABS/PP/PE/PVC/PA/EVA/PET
- Keywords: Small Plastic Granulator,Double Stage Granulator Line
- Name: Small Plastic Granulator
- Product Name: Small Plastic Granulator,soft Pvc Granules
- Function: Plastic Pellets/Granules Cutter
- Highlight: **SG 3 PVC Plastic Granules, FDA pvc plastic raw material, CTI PVC Plastic Granules**

Product Description

Injection molding PVC regenerated granules for Sandal

Product Description:

PVC is called poly vinyl chloride, the main ingredients of PVC; it has the bright-colored, corrosion-resistant and durable property. It is often add some plasticizers, anti-aging agent, and additively in the process to enhance its heat resistance, toughness, scalability and so on. Therefore, PVC is widely and popularity.

The granules for PVC trim strip ,conductor ,tube steel wire clad of different rigidity and performance produced by our company are widely used in such extrusive products ,such as daily products ,trim strip and handcraft article .the company has high glaze ,sub-gloss, elastic and transparent PVC particles available, which all have obtained international certificate for environmental protection.

Product advantage:

1. Excellent Uviolet resistant and weather-resistance.
2. Great rebound resilience, well elongation, excellent tear strength.
3. Can be customized as customer's request, any color, any hardness and density.
4. With studying and manufacturing experiences in PVC materials industry for more than 20 years
5. All raw material can pass CTI, PONY, SGS, UTS ,REACH, ROHS test reports.

Sample: 1-5 tons of samples can be free of charge, buyers in charge of shipping cost .

Sample production time: 5-7days

Shipping fee: prepaid or collect

Packing & delivery details:

1. T/T, western union ,paypal etc.
2. Samples lead time:7days after spec. confirmed.
3. Mass production lead time:15-30work days after Order.
4. Pay 30% deposit, pay balance 70% before shipment.
